# MUTHOOT PAPPACHAN GROUP UNVEILS PRO VOLLEYBALL TEAM 'KOCHI BLUE SPIKERS'

Muthoot Pappachan Group, the owners of Kochi based team for Pro Volleyball League has unveiled its team named "Kochi Blue Spikers". The League's inaugural edition will be held at Kochi and Chennai in February 2019.

Speaking to media, Mr Thomas Muthoot said, "Kerala has a lot of potential and fan following for volleyball. We are determined to revive and promote the game from the grassroot level; bringing back its old days of glory in the state."

There are six teams competing in the inaugural season, each team will comprise two foreign players, one Indian icon player and two Indian U-21 players. The teams will fight it out over 18 matches with each team playing each other once in a round-robin format and the top four teams qualifying for the semi-finals.

## JALGAON PROGRAM BENEFITS LOCAL FARMERS

Jalgaon branch of Muthoot Microfin in Maharashtra organised a program on 'Efficient Farming Technique' for the local farmer community on Nov 24, 2018. The objective of the program, held in association with Plantbiotix, was to raise awareness among farmers and facilitate a dialogue with relevant authorities on new farming techniques.

Experts from Plantbiotix discussed in detail about the subject with around hundred farmers. The team conducted a participatory exercise to assess the existing level of understanding of farmers on the subject. The farmers also shared their experiences with the team.

The session pointed out effective ways of enhancing livelihood through efficient farming techniques and urged the farmers to avail existing government schemes to their advantage. The program was very well received by the community.

## KUNDAPURA OFFERS SKILL TRAINING TO RURAL WOMEN

Muthoot Microfin's Kundapura branch in Karnataka organised a 'skill training' program for women in the local community on Nov 11, 2018.

The program held at Melmata hall, Anegudde in Kundapura raised awareness on market demand and opportunities available with paper bags and cloth bags. The training also created awareness among the participants about the ecological advantages of replacing plastic bags with cloth bags.

Prominent trainers from Geethananda Foundation, Kundapura provided detailed lessons to around 85 participants. The training included topics from 'quality of paper to be used' to 'how it can be taken as a new business opportunity'.
